

HAL::keyTest

```
graph LR; A[HAL::keyTest] --> B[HAL::_keyTest]
```

A diagram showing a mapping from the identifier `HAL::keyTest` to `HAL::_keyTest`. The identifier `HAL::keyTest` is contained within a white rectangular box with a dark border. A blue arrow points from this box to a gray rectangular box with a dark border, which contains the identifier `HAL::_keyTest`.

HAL::_keyTest
