

app::Activity::onLoop

```
graph LR; A[app::Activity::onLoop] --> B[app::Activity::update]
```

A diagram showing a call from the `app::Activity::onLoop` method to the `app::Activity::update` method. The `onLoop` method is represented by a gray box on the left, and the `update` method is represented by a white box on the right. A blue arrow points from the `onLoop` box to the `update` box, indicating the direction of the call.

app::Activity::update
